

Brand system & practical usage guide

Version 1.0 / July 2026

The idea behind Waflo

Loyalty that flows.

Waflo turns a one-time visit into an ongoing relationship. The rounded card represents loyalty and mobile wallet experiences. The rising W path represents movement: discover, visit, collect, return, reward.

FRIENDLY

Human, welcoming, never robotic.

EFFORTLESS

Clear actions and low-friction experiences.

USEFUL

Every feature earns its place.

CREDIBLE

Reliable enough for business operations.

Cards, flow, and useful motion

ROUNDED CARDS

Use 14–24px corner radii. Surfaces should feel tactile and calm.

FLOW PATHS

Use simple rising paths to show progress, visits, or completed steps.

ICONS

Rounded 2px strokes. Simple geometry. One idea per icon.

IMAGERY

Real local businesses and customers. Warm, candid, uncluttered.

MOTION

Quick, purposeful, and reassuring. Use 160–240ms for UI transitions.

PATTERNS

Repeat card outlines sparingly on large brand surfaces, never behind body copy.

Built to work across the product

Digital loyalty card

Merchant branding remains the hero while Waflo stays recognizable.
